

MATJHABENG LOCAL MUNICIPALITY OFFICE OF THE EXECUTIVE MAYOR

MAYORAL INVITATION TO THE COMMUNITY

It is that time of the year that we, as a community, celebrate the message of the festive season in a joyous but responsible manner. Join us on Friday 6 December 2013, when we will share with one another our gratitude for the blessings of the year past, and embrace hope for the new year. South Africa will be celebrating 20 years of freedom and democracy in 2014, so let us light the torch of unity on 6 December. Let us also be reminded, as we celebrate, that the spirit of compassion and care which marks the festive season should be extended to the vulnerable and at risk. Let us use the opportunity to reaffirm our commitment to eradicate violence and abuse against women and children during the 16 Days of Activism against Women and Child Abuse. Working together the past 20 years we have changed lives: let us include those who need our strength. Don't look away! Enjoy the annual community celebration on 6 December, but please do it responsibly. - Executive Mayor Sebenzile Ngangelizwe.
